Media Uploads

All video files must be in MP4 format. All audio files must be in MP3 format. The maximum size for each file is 5GB. We do NOT accept zip or watermark files.

Files must be uploaded **individually and chronologically** in the order that episodes aired (earliest air date should be first).

When your video upload says "**Processing**," press "Save" at the bottom of the page, and you will be able to move on to the next video. Wait until you see the "Processing" message before proceeding to the next video file upload.

DO NOT LOSE YOUR WORK. Do not open multiple tabs in your browser or use different browsers to upload multiple files at the same time. Doing so will result in lost and unrecoverable work.

For news programming and radio/podcasts, please submit a photo representative of the story. If the program is selected as a nominee or winner, Peabody may request additional photos.
